

REMARKS

Upon entry of the present paper, claims 1-20 will remain pending before the Examiner, with claims 1-20 standing allowed. Applicant notes that the present paper is being presented to conform claim 15 to the Examiner's Amendment entered in the Notice of Allowance of September 27, 2004, in which the Examiner changed "ring and coming" to ---ring coming--- to correct a typographical error. When Applicant filed subsequently filed the Preliminary Amendment of January 12, 2005, Applicant inadvertently listed claim 15 without reflecting this earlier Examiner's Amendment. Thus, the present paper merely re-lists claim 15 to conform to the previously-entered Examiner's Amendment, and does not narrow the scope of the claims. Accordingly, this paper should not be considered a decision by Applicants to narrow the claims in any way. Applicant thus respectfully requests entry of the present paper.

Should the Examiner have any questions or comments regarding this Submission, or the present application, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
